REVIEW:

This bag is so light you hardly notice you are pulling it along. It has a huge interior capacity and a side section for smaller items. Easily fits into cabins of aircraft. A great carry on bag and also suitable for a single traveller for a weekend getaway.

Pros:

- Lightweight
- Easy to manoeuvre
- Plenty of interior room
- Long handle for easy of use
- End handle to lift easily and quickly into cabins
- Fits into cabins easily
- Comes with TAA approved lock.

Cons:

- Doesn't stand up by itself, you have to lean it against something or lay it flat.
