

**PRODUCT:** WICKED SISTA – TOILETRY BAG

**PRICE:** RRP 39.95

**PRODUCT INFO:**

- Fabric outer with PVC covering
- Carry handles
- Zippers all the way around
- two internal compartments
- clear pvc so you can easily see where products are

**Pros:**

- Lightweight
- great choice of colours
- plastic inside and outside
- two separate sections
- carry handles

**Cons:**

- Doesn't fit larger shampoo bottles.
- would like one side to have two compartments

**REVIEW:**

I love the capacity of this toiletry bag. Using both sides keeps things like makeup separate from shower gel. A lightweight bag doesn't add to the weight restrictions and if anything happens to spill then the damaged is minimised. The bag sits flat when opened so you can keep in the bathroom without unpacking. The clear plastic makes it easy to identify where everything is.
