REVIEW:

This is the best lightweight travelling camera bag I have ever used. With easy access to your camera and the ability to store all your other essentials this is really the only bag you need. Wear as a sling bag for security and remove the inner camera compartment when not taking your camera.

Pros:

- Lightweight
- Gender neutral
- Expandable
- Looks stylish
- Newer models available in colours
- Heaps of room for other essentials

Cons:

- I really can't think of any
